Title of Research: Weibo & X Advertising Experience Survey Researcher: Shaoxiang Qu, Undergraduate Student, Duke Kunshan University Faculty Advisor: Jiang Long, Senior Lecturer in Computer Science, Duke Kunshan University. You are invited to participate in a research study. This study aims to compare advertising experiences on the social media platforms Weibo and X (formerly Twitter). What will I do? If you agree to participate, you will complete an online questionnaire about your social media usage habits and perceptions of advertisements. It will take approximately 5-8 minutes to complete. Risks and Benefits There are no anticipated significant risks beyond those encountered in everyday life. While the topic is not sensitive, you may skip any question or withdraw at any time. There are no direct benefits to you, but your participation will contribute valuable insights to academic research on social media marketing. Voluntary Participation & Withdrawal Your participation is completely voluntary. You may withdraw from the study at any time by closing your browser. If you choose to withdraw, your data will not be saved, and you will not be eligible to receive any compensation. Confidentiality Your responses are anonymous. We do not collect your name, student ID, or IP address. To receive compensation, you will provide your WeChat ID on the final page; this information will be stored separately from your survey responses and will be deleted immediately after the rewards are distributed. All data will be stored securely and used solely for research purposes. Contact Information If you have any questions about this study, please contact: Researcher: Shaoxiang Qu at sq48@duke.edu Faculty Advisor: Jiang Long at jiang.long@dukekunshan.edu.cn Statement of Consent By clicking the "I agree to participate" button below, you confirm that: You are 18 years of age or older. You have read and understood the information above. You voluntarily agree to participate in this research study.

- ☐ I agree to participate (1)
- ☐ I do not agree to participate (Exit Survey) (2)
